### Prayer before Exams

Dear God, I place all my trust in you as I confront my exams at this time. May my mind be calm, my body rested and my spirit renewed. Give me the strength to do the best I can. Keep me serene. May I be inspired to give an accurate account of what I have studied. In the end, may any disappointment be borne with grace and dignity, and any joy accompanied by humility. May I know I am a child of God and always live according to this truth. May Mary, the mother of Jesus, and my mother, protect and guide me in all my life choices. Amen.

Love is not about finding the perfect person;  
It's about learning to see an imperfect person perfectly.
