Gospel Thought

A New Lease on Life

Most of us have experienced how difficult it is to forgive. It is almost impossible. In Old English it means "give to the uttermost" "as far as you can go". Isn't that what it really is, going all the way? Who can forget the hurt? Yet we should. Who doesn't see and feel the scars and keep the memories? And yet we shouldn't. Think of God: when He forgives, the evil belongs to the past. It is gone. God keeps no accounts. He wants us to think only of the future. Jesus did not condemn but gave new chances. Ask the Lord for His attitude to live this way.

Thought For The Week

Some people think of God as a safety net-a way out of trouble when all else fails- but they wouldn't get themselves into such serious trouble if they would just hold on to Him in the first place.
