Judging begins with a half hour presentation that includes questions and answers at 2.15. This is followed by a tour of the village. A large community attendance at the presentation and a busy village would greatly support the bid for this national award. Update -- Declan's world tour: In the past week, Declan (McEvoy of Quin village) continued his marathon motorcycle journey, travelling the Pacific Highway through California, taking in San Francisco, Los Angeles and San Diego. On 7th July, he crossed the border into Mexico at Tijuana. Colour and chaos reign supreme in Mexico, he says, and everything is so much cheaper. While we at home were experiencing 25C degree in the current heat wave, he encountered 40C while driving across the desert, heading southwards towards Guatemala.
