BEATITUDES FOR CAREGIVERS

Blessed are those who care and who are not afraid to show it - they will let people know they are loved.

Blessed are those who are gentle and patient - they will help people to grow as the sun helps the buds to open and blossom.

Blessed are those who have the ability to listen - they will lighten many a burden.

Blessed are those who know how and when to let go - they will have the joy of seeing people find themselves.

Blessed are those who, when nothing can be done or said, do not walk away, but remain to provide a comforting and supportive presence - they will help the sufferer to bear the unbearable.

Blessed are those who recognize their own need to receive, and who receive with graciousness - they will be able to give all the better.

Blessed are those who give without hope of return - they will give people an experience of God
