The Loving God

"I Believe in the God of Life who loves me and wants to see me alive and well. I believe in the God, who always forgives me and opens to me a future full of life and hope. I believe in the God who is with me every second of my life to help me, heal me, console me, strengthen me, suffer with me and be my best friend. I believe in the God who knows only love and compassion; who is a "lover of life" and who begs me to "choose life". In this faith I find joy and peace in the present life and hope for the life to come."
