**Catholic Schools Week:** Catholic Schools Week takes place from Jan. 23<sup>rd</sup> to Jan 30<sup>th</sup>. The theme this year is, **Catholic Schools: Living Life to the Full**. Every Catholic school fosters the holistic development of its students, promotes their wellbeing, and encourages them to learn and nurture their talents and skills. Each child has the potential to change the world for the better, making it a kinder, more inclusive and more welcoming place.

**Parish Council:** There will be a meeting this Wednesday evening 26<sup>th</sup> January at 8pm. All members are encouraged to attend as we review the year’s financial statement and distribute the annual collection envelopes for the parish.

**Week of Prayer for Christian Unity: Jan.18th-25th:** As we put a close to the week of Prayer for Christian Unity we reflect on the theme *'We saw His Star in the East'*. This theme has been prepared by the churches of the Middle East, the history of which was, and still is, characterized by conflict and strife, tainted with blood and darkened by injustice and oppression. It was in the Middle East that the Word of God took root and bore fruit; and it was from this East that the apostles set out to preach the Gospel to the ends of the earth. Christians of the Middle East are conscious that the world shares many of the travails and difficulties that it experiences, and yearns for a light to lead the way to the Saviour—the light that overcomes darkness. Serving the Gospel requires commitment to the human being, the poorest, the weakest and those marginalized. It requires from the churches transparency and accountability in dealing with the world, and with each other. May we work together, to provide relief to the afflicted, to welcome the displaced, to relieve their burden, to build a just and honest society so that human beings can experience life, peace, justice and love.

**On-line Donations to Parish:** In these times of Government lockdown and restrictions on attendances at public masses, many people who are unable to attend church services are interested in contributing to the support of their parish or their priests. Sincere thanks to all our parishioners who have contributed during this time. It is now possible to make a contribution by credit or debit card directly to your parish using the Diocesan website – [www.killalodiocese.ie](http://www.killalodiocese.ie). The full contribution as received by the Diocesan website will be fully paid to your parish. Simply go to the Diocesan website and click on the red "Donate to your parish" button on the top of the page. You will be invited to select your parish and the parish fund you wish to contribute. Your support is greatly appreciated.

**Dog Fouling :** The problem of dog litter is on the increase again, particularly between the playground and the Church. It is your responsibility as a dog owner to clean up after your pet especially on the footpaths where young children and older people are walking regularly. There are small litter bags available in the Post Office and in the shops and cafes. "Under the Litter Pollution Act 1997, dog owners are LEGALLY obliged to clean up after their pets. Those in breach of the law are liable to receive a €150 on the spot fine." Thank you, as always, for your cooperation.

### ***Scripture Thoughts***

The first reading from Nehemiah presents Ezra, as priest, reading the book of the law to all the men, women and children of Israel. At the end of this reading, Ezra tells the people not to be sad but rather be happy and to celebrate this day greatly. Paul is celebrating the human body and the Body of Christ. If we understand the workings of the human body, then we will come to see that all of us, as members of Christ's Body, the Church, need to work together to keep the Body of Christ together. We are members of this Body through our baptism. Each has a part to play in carrying out all the works of the Church. To do so, we have each received our own gifts and talents. In using these gifts to the best of our ability we bring about a wonderful unity for all the churches. Mark relates the story of Jesus' standing before the Jews and proclaiming the scripture passage from Isaiah. This is a passage that should catch our attention and our response. Jesus proclaims that He has been anointed by the Spirit to proclaim liberty, recovery of sight, freeing the slaves and proclaiming a year acceptable to the Lord. Jesus completes this proclamation saying: "Today this Scripture is fulfilled in your midst. What a statement! We are called to listen to these words and to see how we proclaim God's Word. To whom do we proclaim this message? Who is healed? What oppression has ceased because of our proclamation?"

### ***Thought for the Week***
