Incredible Journey; Two weeks ago, Declan McEvoy of Knocknagoug, Quin, set out on the second leg of a journey that will eventually see him circumnavigate the globe – on a motorcycle! The first phase, in 2016, starting in Quin, took him through 24 countries across Europe, Iran and the "Stans". Two weeks ago he began phase two where he had left off last year – in Kyrgyzstan, and is now progressing through Kazakhstan, into Russia and on to Mongolia, then across Siberia as far as it is possible to go, to the Russian outpost of Magadan where the road ends! . Declan is an intrepid traveler and adventurer. He speaks Russian which will be a help. Through the Internet, he keeps in touch with his family back in Quin almost daily. We wish him Godspeed and personal safety on this incredible journey
