Reopening of Churches - Creating a Safe Place to Worship

There is no obligation to attend Mass. The Sunday Obligation has been lifted and you may attend Mass any day of the week if you so wish or continue to view Mass on the Parish Webcam or listen to on the Parish Radio Link.

As we reopen for Public Worship please follow the guidelines listed below for everyone's safety and well being.

Families with a Mass intention will be given first preference to attending Mass. Families are asked to be in the Church fifteen minutes prior to Mass starting. Members of a family who reside together do not need to observe social distancing, but must of course remain socially distant from other members of the congregation.

Parishioners attending Mass should wear a face covering in Church. (Please note face coverings are not suitable for children under the age of 13. While wearing a face covering is recommended it is not mandatory).

Upon entering the Church at the designated entrance please follow directions of the usher who will show you where to sit. Please Exit the Church as directed.

Readers & Eucharistic Ministers are welcome to return to public ministry, however, there is no pressure if you do not wish to return to ministry. Readers will read from the missalette provided. Eucharistic Ministers must wear a face covering. If you do not have one, a face mask will be provided.

Altar Servers will not exercise their ministry until further notice.

Choirs will not resume their ministry until further notice. A Cantor and Organist may provide music and song if they so wish.

People attending Mass will not be asked to kneel.

Distribution of Holy Communion: You are asked to follow the direction of the usher. There will be a table between the Minister of Communion and the Communicant with hand sanitisers.

Thought For The Week

*It is better to be prepared for the worst and have it not happen,
than to have it happen and not be prepared.
Staying close to God will help you be prepared for anything!*
