### **Season of Creation**

From 1st September to the 4th October, the feast of St Francis, we observe the Season of Creation in which we are called to pray for the Care of Creation. We unite in prayer and action to protect and preserve our beautiful planet. While prayer is a powerful and essential aspect of our devotion, it must also inspire us to take tangible steps towards positive change and environmental stewardship. We come together, not only in gratitude for the wonders of creation but also in a spirit of responsibility. It is not enough to simply pray for a better world, we must actively work to create it. Each of us has a role to play, and together, our collective efforts can make a significant impact. We must be mindful of our daily actions and their impact on the environment. Small changes in our lifestyles, like reducing waste, conserving energy, and supporting sustainable practices, can collectively make a significant difference for the health of our planet. As we pray for God's creation, let our prayers be a catalyst for action. Let us advocate for policies that protect the environment, support renewable energy sources, and promote conservation efforts. Together, we can ensure a brighter greener future for generations to come. During this season of Creation, we commit to being not only prayerful stewards of creation but also active guardians of our planet. May our prayers fuel our determination to make lasting positive changes for the wellbeing of the Earth and all its inhabitants.

**Triduum in Honour of St. Padre Pio** takes place in the Friary from Thursday 21st to Saturday 23rd September the feast of St Padre Pio at 7.30pm. Archbishop Kieran O'Reilly, Fr Liam McCarthy OFM, Fr Martin Shanahan and Bishop Fintan will lead the days of prayer.

**Palliative Care Week 2023:** We are delighted to announce Palliative Care Week 2023, which takes place from Sunday 10th to Saturday 16th September 2023. It is a special year for the annual campaign as we mark its tenth anniversary. Please see the press release which has been issued to regional broadcast, online and print media across the island of Ireland to launch the week. Our theme this year '**Palliative Care: Living for Today, Planning for Tomorrow**' was chosen because we wanted to emphasise how palliative care enables people to have a good quality of life in the here and now, while also providing them with assurance and comfort around their future. The support and involvement that we have received each year has been essential to making the campaign a success and we hope that you will help us in sharing the positive messages about palliative care through your own networks. You can find out more on The Palliative Hub [here](#) or to let us know about events (including online) or other activities, please contact Paula Pinto, [ppinto@aiahpc.org](mailto:ppinto@aiahpc.org) or Yvonne McCahill, [ymccahill@aiahpc.org](mailto:ymccahill@aiahpc.org)

**Year of Prayer for Vocations:** This week, three young men from our Diocese will begin discernment and studies for the priesthood. We ask you to keep these young men in your daily prayers. Loving and generous God, we are your people, the work of your hands. Jesus calls us to heal the broken-hearted, to dry tears of those who mourn, to give hope to those who despair and to rejoice in your steadfast love. Grant us faith-filled leaders who will embrace Christ's Mission of love and justice. Bless the Church of Killaloe Diocese by raising up dedicated leaders from our families and friends who will serve your people as Priests. Inspire us to know you better and open our hearts to hear your call, Amen

**A New Beginning:** In the coming week, many young people will, for the first time move away from home as they begin their college life in third level.
