A Prayer for Healthcare Workers

During this time of Coronavirus COVID –19

Loving God

We place into your care

All our doctors, nurses
and healthcare workers.

Give them courage of heart

And strength of mind and body.

Keep them safe from harm.

May they know our deep gratitude

for all they are doing

to heal and help those affected by
the coronavirus.

God of all consolation

may they know your
protection and peace.

Bless them in these

challenging days

and bless their families. Amen

Message from Pope Francis

“Tonight before falling asleep

think about when we will return to the street.

When we hug again,

when all the shopping together will seem like a party.

Let's think about when the coffees will return to the bar,

the small talk, the photos close to each other.

We think about when it will be all a memory

but normalcy will seem an unexpected and beautiful gift.

We will love everything that has so far seemed futile to us.

Every second will be precious.

Swims at the sea, the sun until late,

sunsets, toasts, laughter.

We will go back to laughing together.

Strength and courage.

Corona Virus Prayer: Dear God, I pray for healing for all affected by this deadly virus. Only You can move in a mighty way and do the impossible for them. We pray for all negative outcomes to be resolved by Your healing hands. Bless and embrace each and every single person and bring full healing to their bodies, minds and spirits. Amen

"We are all in this together,"

"As a global community we can support each other through this process - and build a digital neighbourhood that feels safe for every one of us." Be kind to one another.
