New Speakers & Web Cam for St. Mary's Church Quin

At a recent Parish Council meeting it was discussed to have the speakers upgraded in Quin Church and installing a Web Cam. Liddane's Public Address systems inspected the speakers and as they are over thirty years old and the transformers are not producing to potential, they will be replaced and rewired at a cost of €1,420.

Two Web Cam companies were contacted to give quotes on costs to install a Web Cam and costs for its annual streaming and support costs. Acton, Parish Websites have given a cost to provide and install the Web Cam at €3,809.50 and the Annual Streaming Hosting & Support Costs at €1,476.

The Parish Council asks that if any local businesses and households would like to contribute to these two projects for the Parish and to help defray the cost would be greatly appreciated. The installation of the Web Cam will provide a great service to those who cannot attend Mass and those living abroad especially at such occasions as funerals, weddings, First Communions, Confirmations, etc. All donations would be greatly appreciated.

Mission Sunday Collection will be taken up at all Masses on Sunday 20th Oct. It is the purple envelope in your box of envelopes. Your generosity is greatly appreciated.
